Applications are invited for one post of Senior Research Fellow at the Department of Electronics & Instrumentation Science, Savitribai Phule Pune University, to work on project entitled

"Dual Purpose tri-band proximity coupled microstrip patch array antenna"

Name of the post

Senior Research Fellow

Number of posts

One

Category of post

Open to all

Fellowship

Duration of the project

Rs.35,000/- PM + HRA (24 %) One year

This project is based on the design, simulation and fabrication of tri-band conformal microstrip patch array antenna over the cylindrical surface using the proximity coupled configuration. The senior research fellow is expected to work on design, simulation and fabrication as well as testing of the antenna system.

Eligibility and Necessary Qualification for senior research fellow: M.Sc. in Electronic Science or M. Tech (E &TC) with at least two years research experience in the field of Antenna design and fabrication, familiarity with tools like CST studio is desirable, and at least one publication in referred Journal.

An application, including a covering letter and a resume/CV, addressed to Dr. Mrs. D.C. Gharpure, Department of Electronic Science, Savitribai Phule Pune University, Pune 411007, should be submitted in the Departments Office or sent via email to dcgharpure@gmail.com on or before 4th Feb 2022. Resume should include: full name, contact information (address, email, and a contact number), date of birth, educational qualifications and details of relevant experience

The interviews will be held on 5th Feb 2022 at 11.30 am in the Department of Electronics and Instrumentation Science.
