

International Institute for Population Sciences

(Deemed University)

Project: *Violence against women (Domestic and spousal) among the tribes in Northeast India: Complementing qualitative information with NFHS data*

Applications are invited for the post of Research Officer, purely on a temporary basis, for a research project funded by the IIPS, Mumbai. The details of the post and the required qualification and duties are given below:

Position	Research Officer (RO) (1 post)
Duration of the post	3 months
Educational Qualification and Required Experiences	Essential: Postgraduate degree with statistics as one of the subjects. A higher degree like M. Phil will be an additional advantage. The candidate must have adequate experience in handling, Coding, and Analysing NFHS data using various statistical techniques.
Specific Tasks	The RO will be using NFHS data to devise various indexes and find out the statistical relationships among selected variables --- gender subordination, perception of violence, experiencing violence by women etc.
Salary	Salary will be between Rs. 40,000 to 60,000 per month depending upon the work experience of the candidate

Interested candidates, having the above-mentioned qualifications and experiences, may send their CV along with the supporting documents to sonowalcj@iipsindia.ac.in by 31 July 2022.

Only the shortlisted candidates will be informed and called for the interview
