Engagement of SIDBI Development Executives (SDEs) (Full Time)

Small Industries Development Bank of India (SIDBI) is the Principal Financial Institution for Promotion, Financing and Development of the Micro, Small and Medium Enterprise (MSME) sector as well as for co-ordination of functions of institutions engaged in similar activities. The differentiator role as Development Financial Institution we play is primarily because of Credit plus services (Non-Financial services) we are able to offer to our primary stakeholders i.e., MSMEs and Entrepreneurs.

SIDBI aims to further accelerate this effort by creating an integrated credit and development support ecosystem for Indian MSMEs, thus promoting their inclusive growth, enabling them to be globally competitive and play crucial role in Atmanirbharat Bharat.

Impacts of SIDBI's initiatives are visible now and to further strengthen and position ourselves as thought leader in MSME space we should re-emphasize the role of development banker and at field level we need to have dedicated human resource who can handhold through institutional mechanism for playing the role of catalyst for MSMEs and broaden the horizon by connecting the dots with different stakeholders and create an enabling ecosystem at regional and state level.

The idea of SIDBI Development Executives (SDEs) is envisaged as dedicated human resource for promotional and development activities at State / Regional level to have feet on the ground and accelerate the national level programmes / initiatives with handholding to make lasting impact at the ground. SDEs would play a critical role to leverage the existing partnerships of SIDBI and converge with developmental stakeholders to have synergy in the interventions.
